Paul Revere Foundation to War Act
(for CIA, FBI)

GAP: Louis Clark, Tom Davis, ~~Robert~~, ~~Don~~ Hammett

Tom Edgar ACLU legis. -
was "pragmatic"

Callan Rowley: criteria for WBs
1. screening - out nuts,

- Very significant, life + death
(DE, Kern)
- (Not) personally motivated
- have to be right
- counsel on what is most constructive
approach...

What could come out of CIA that
could bring Bush down?

(see Aug. 6 ROB - didn't big him down.)

Pats - ^{members of} massive disclosures - safety in numbers

Robert Wrightman - back 2 years ago

Aug 31, 03 — King says to Rumsfeld, spend "however many billions it takes to win" in Iraq.

Aug. 9, 04 — It was right to give the Pres
and what ~~the~~ the authority (to go to war) (to get support
of risk that
SH would not
in UN to threaten SH... "to get weapons back in" (?):
but if you know SH had no WMDs to be found & inspectors...

Alright: King's (different) strategy is to get
other nations involved (in wearing, pick
up the burden)

Alright. With King, "there would be a lot
better chance" to get French, German
troops into Iraq
(yes: from 0 to 0+)

Rumsfeld: Who will make country more secure?
better on terrorism
better on Iraq
Bush
about
2 to 1!

Are you comparing Cheney to Joe McCarthy?

No, I am saying... irresponsible, outrageous
statements

("most politicized statements on foreign
policy since Joe McCarthy.")

Herb: King doesn't

5-10 more years of a guerrilla war that
